SALMON ARE RETURNING TO LIVELY!

Every spring Everett Public Schools receives salmon from the Washington State Department of Fish and Wildlife to be released into Nickel Creek. Once our fry friends arrive, we will have opportunities to help them along on their journey by releasing them into the creek at Lively, so they can travel into Lake Washington, through the Locks and out to the Sound to live their adult lives!

While we do not yet have a delivery date for the salmon, we anticipate this happening sometime in April and we will share this via email. This is a great hands-on way to be part of the natural world and learn about our local ecosystem. If you are not already signed up for Play and Learn emails, you can do so by using the above QR code.
