

**REQUEST FOR QUALIFICATIONS (RFQ)
Trillium BLVD Reconstruction
(Bothell Everett Highway – Village Green Dr.)**

Public notice is hereby given that the City of Mill Creek has issued a Request for Qualifications (RFQ) for architectural and engineering (A&E) consultant services for the project mentioned above. The work to be performed for this project consists of furnishing all labor, materials, and equipment necessary for the completion of design engineering and preparation of construction contract documents (i.e., plans, specifications, engineers' estimates, etc.), as well as related services, to ensure the successful delivery of this project.

This project aims to reconstruct the Trillium Boulevard roadway section. The project will address a complete street model, investigate the use of a separated bike path, and upgrade walking surfaces. This involves evaluating alternative and non-traditional roadway layouts within the project budget. Traffic calming measures are anticipated to reduce speeds along this highly traveled road. Additionally, the project will address storm drainage throughout the entire project, including Low Impact Development (LID) and regional water quality, as identified in the Surfacewater Master Action Plan (SMAP). The selected firm will also assist with research and submission of additional grant opportunities.

The project boundary is from the intersection with Bothell-Everett Highway to the intersection with Village Green Drive. Approximately 2,900 lineal feet of road, curb and gutter, sidewalk, separated bike lanes, curbs, drainage improvements, and channelization improvements will be replaced, added, or improved.

Project Objectives.

The city will provide CAD and Civil 3D survey files and, with consultant assistance, lead the project's outreach.

The RFQ, additional submission requirements and instructions, and applicable information provided to interested parties (if any) can be found on the City of Mill Creek Contracting website: https://cityofmillcreek.com/city_government/public_works_and_development_services/contracting_with_the_city for questions, please contact Robert Bean, at ph. 425-921-5747.

Format for Qualifications

One electronic copy or three hard copies of the qualifications documents shall be formatted for the ease of the reviewer in determining your firm's qualifications and suitability for this project. Content that is either excessive or unrelated to the services advertised in this RFQ is discouraged.

Documents should include the following:

- A description of your proposed project team members, including any subconsultants. Provide summary resumes for key team members.
- Identify clearly the proposed project manager and describe the roles of other team members.
- Identify and describe a minimum of three (3) previously completed projects similar to this project's scope of work, with a particular focus on projects that involved sensitive working conditions substantially similar to those described in this Request for Quotation (RFQ). For each reference, provide client contact information suitable for reference checks, including, but not limited to, agency/owner, title, phone, and email information, and a brief description of the work completed.
- Describe your proposed work plan to complete this project successfully, including your sequence of tasks and methodologies, key deliverables, proposed staffing, and a project timeline and productivity evaluation demonstrating how your work plan will support the successful completion of the project.

Qualifications Deadline and Instructions

The deadline for the qualifications document submittal is 3:00 PM on **April 22, 2025**.

No qualifications will be accepted after that date and time, and postmarks will not be accepted in lieu of this deadline requirement. It is the sole responsibility of the candidate firm to ensure that the city receives their submitted qualifications before the deadline listed.

Please submit your qualifications document to the City and for the attention of Robert Bean, Project Manager. Qualification documents can be delivered to the city using one of the following options:

- Email the electronic documents to Robert Bean at Robert.Bean@millcreekwa.gov. The city prefers electronic submission of qualification documents.

- Hand-deliver or postal mail to City Hall South building:
City of Mill Creek
Department of Public Works
Attn: Robert Bean
15728 Main Street
Mill Creek, WA 98012

Please do not deliver qualification documents to the City Hall North building.

Evaluation criteria

Each submittal will be evaluated and scored based on the quality of responses the candidate firm includes in the submitted RFQ document. Scoring will be based on the evaluation of the following four categories, with equal weight applied to each:

- Team experience with similar projects
- Approach to the project delivery.
- Qualifications of personnel
- Evaluation of the approach to alternative cross-sections that meet the city code for Complete streets, Chapter 12.20.

Americans with Disabilities Act (ADA) Information
