Mill Creek, WA 98012

7 C's Swim School
Parcel Number 28053100203700

Project Narrative

Zoning: CB – Community Business
Principal Use: Swim School

The intent of this project is to develop a 10,290 SF swim school, 7 C's Swim School, at the currently vacant parcel at the corner of Northcreek Dr and Dumas Rd (parcel number 28053100203700).

7 C's Swim School develops swimmers by using caring and customized methods to help them build a connection with their instructors and become comfortable in the water. After swimmers become comfortable in the water, their compassionate instructors help them develop confidence in their skills and abilities while learning respect for the water.
